Description

TR5 is one of the first and most iconic Tom Rossau lamps. The pendant is made in several different materials, colours and sizes. Plenty of opportunity to find the perfect match for any home decor.

The open structure of the lampshade provides an enchanting spread of light

while it conceals the source of its radiance. The TR5 wall lamp is a functional and sculptural lamp where good craftsmanship and authenticity go hand in hand.

TR5 is also available as a pendant and floor lamp.
