# TR31 Series

tomrossau.com

## Description

The TR31 series has been re-designed to optimise the composition and functionality. The translucent white material, PC/PE nonwoven, lets the light penetrate evenly through the lampshade, casting a pleasant and indirect light into the room, resulting in soft shadows. The lamp spins

from a circle at an angle, contributing to the pendant's unique and vivid expression when experienced from different angles. The base of the pendant is open, casting light directly below, making it an obvious choice to hang, for example, above the dining table.

## Specifications

Dimensions  
Pendant: ø40 x h55 cm  
Table: ø40 x h58 cm

Material:  
PC/Nonwoven

Colour:  
White

### Technical (pendant)

Recommended light source:  
1 x LED E27 (A60) – Included

Recommended power:  
5–8W (max 15W)

Cord length:  
300 cm

Switch:  
No

### Technical (table)

Recommended light source:  
1 x LED E27 (A60) – Included

Recommended power:  
5–8W (max 15W)

Cord length:  
200 cm

Switch:  
Yes
