

Loft Chair W. Armrest

“The Loft Chair combines the complementing opposites of robustness and elegance through materials—its wooden seat and metal frame—with a soft, industrial appeal. The design features an archetypical look for a feeling of familiarity while the subtle details, such as its sturdy back legs, gives it a unique expression. The design fits seamlessly into any spatial context while providing maximum comfort to its user.”

— Thomas Bentzen

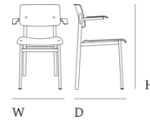

Designed by	Thomas Bentzen
About the Designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen’s designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Indoor
Country of Production	Latvia
Preassembled	Yes
Description	The Loft Chair exemplifies honest, simple design thanks to an expression inspired by industrial design. The design features contrasting materials with its frame in powder coated steel that is offset by the soft plywood on seat and back, molded to embrace the user's body. Here, the design comes with elegant armrests for added comfort.
Material	<p>The back, seat, and armrest are made of veneer with a beech core and an oak veneer top with water-based lacquer. Stained Dark Brown version with back and seat with water-based lacquer.</p> <p>The frame is made of powder-coated steel—plastic glides.</p> <p>Oak veneer and Stained Dark Brown: slight color variations can occur due to the inherent characteristics of the material.</p>
Cleaning & Care	<p>Clean with a moist cloth first and wipe off excess liquid with a dry cloth. The Loft Chair w. armrest without seat upholstery can be cleaned with alcohol disinfectant. However, please note that wooden products will get a patina where the surface color can slightly fade. If cleaning is uneven, this may become even more apparent, yet the lacquer will stay in place. For wooden products in lighter colors, the patina will be less noticeable.</p> <p>To avoid scratching table surfaces, Muuto recommends not hanging the chair on tables by its armrests.</p>
Spare Parts	Pre-mounted plastic glides included. Felt and plastic glides can be purchased separately.

Loft Chair W. Armrest
