

# Shaal Monomaterial Upholstery

Design by Doshi Levien, 2022

## Art. 6916

3-seater sofa configuration with an outer structure composed of a wraparound panel made of covered plywood. The outer panel and the cushions are upholstered with the same material: fabric, leather, coated fabric or customer's own material. The cushions have removable covers. Base in polypropylene made with recycled materials, equipped with height-adjustable glides.
